Friendly, Fun & Engaging Summertime Activities

St. Andrew's Action Camp provides a fun-filled, enriching and educational summer program for children ages 3-7 years old.

Each of the ten weeks features a different theme with special visitors and adventures, along with sports and games, music and movement, arts and science.

In addition, outdoor daily water activities offer campers a chance to splash about and cool down during the heat of summer days.

Our highly qualified staff is made up primarily of teachers from St. Andrew's Preschool and Kindergarten. We also employ college and high school students to give the children more security and assistance.

Every staff member's primary focus is to create a safe, enjoyable and mentally stimulating camp experience.

All teachers and staff are required to complete abuse awareness training under the requirements of the Episcopal Diocese of New Jersey, and our head counselors are CPR certified.

Calling All Reading Rock Stars! Rising Kindergarteners & First Graders

Prevent summer slide! Build on the progress they've made this year in school! Capitalize on their motivation! Your child can join Mrs. Moran for a fun-filled week of reading, writing, and games at St. Andrew's to help strengthen their literacy development.

Reading Rock Stars will provide a healthy snack, time to play outside, and a variety of literacy experiences, including whole group, small group, and one-on-one practice with pre-reading and reading skills. Students will bring home books to practice daily and a portfolio at the end of the week!

Mrs. Moran is a certified Elementary and Special Education Teacher and Reading Specialist, currently teaching 4's classes at St. Andrew's, as well as the Get Ready to Read enrichment class. She has years of experience teaching kindergarten, first grade and Basic Skills in local elementary schools.

Hola Amigos! For Primary Campers

Come spend one week in a Spanish immersion program. . .learning your first Spanish words or practicing the ones you know, through books, play acting, counting, songs and games. We will also discuss Spanish-speaking countries and their traditions. See you soon. . .hasta pronto!

Class taught by Maria Suarez, a native Argentinean! Maria currently teaches Spanish in St. Andrew's 5's and Kindergarten classes, as well as the 3's. She has years of experience teaching Spanish to young children, using songs, crafts, her guitar and literature in a relaxed, fun atmosphere.

Little Actors Studio Primary Campers!

An energetic and imaginative week filled with theater games, music, improv, puppets, theater crafts and more. We will step into our favorite storybooks and bring them to life!

The week will culminate in a short staged production on the last day of camp for family and friends to attend.

In addition to being lots of fun, this work (play!) ...

- supports creativity and expression
 - will help create confidence, poise, and self-esteem
 - develops communication skills, and team working skills
 - will allow for empathy and respect for others
 - supports the development of out of the box thinkers
- children will have a snack, playground time, and wrap up the day with lunch, provided by you, ending with relaxation exercises•••

A bit about Patricia. . . Since 2000 she has been making music with well over 1000 families from the surrounding areas thru parent/child music and movement classes. She holds a BFA in Theater Performance from The Ohio State University, and trained at Circle in the Square Theater School in NYC. In NY, Pat performed in numerous plays and cabarets. Locally, she has brought music and theater to preschools in the area.

MUSICAL THEATRE WEEK

This camp week will incorporate all the fun of Little Actors Studio plus a focus on elements of musical theater. We will concentrate on development, acting a song, movement, and making our own set!
