Friendly, Fun & Engaging Summertime Activities

St. Andrew's Action Camp provides a fun-filled, enriching and educational summer program for children ages 3-7 years old.

Each of the ten weeks features a different theme with special visitors and adventures, along with sports and games, music and movement, arts and science.

In addition, outdoor daily water activities offer campers a chance to splash about and cool down during the heat of summer days.

Our highly qualified staff is made up primarily of teachers from St. Andrew's Preschool and Kindergarten. We also employ college and high school students to give the children more security and assistance.

Every staff member's primary focus is to create a safe, enjoyable and mentally stimulating camp experience.

All teachers and staff are required to complete abuse awareness training under the requirements of the Episcopal Diocese of New Jersey, and our head counselors are CPR certified.

Class taught by Maria Suarez, a native Argentinean! Maria currently teaches Spanish in St. Andrew's 5's and Kindergarten classes, as well as the 3's. She has years of experience teaching Spanish to young children, using songs, crafts, her guitar and literature in a relaxed, fun atmosphere.

Broadway Bound Primary Campers!

Children will let their imaginations soar as they enter the world of musical theater. During the week, children will learn about the different elements that it takes to make a Broadway musical. From sets, props, costumes, choreography, etc. they will work together to create their own number from a Broadway show.

The weeks will be filled with music, movement, acting, theater games and more all in a supportive and nurturing environment. Children will develop creative expression, problem solve, build self-esteem and gain an appreciation for the arts.

Each week of Broadway Bound will have a different musical number to be performed at the end of each camp week and family and friends are invited to these performances.

Mrs. Gendron has a BFA in Dance Performance from Southern Methodist University in Dallas, TX. After many years performing on Broadway and across North America, she started teaching various styles of dance to ages 2 and up and musical theater to all ages. She has taught overseas and in NYC to international students coming to learn about Broadway musicals. She currently is the Music Teacher at St. Andrew's, as well as an assistant teacher with the 3's and Broadway Bound enrichment teacher throughout the school year.
